PART IV

Bills introduced in the Bengal Legislative Council, Reports of Select Committees presented or to be presented to that Council, and Bills published before introduction in that Council.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 842L.C.—3rd March, 1936.—The following report of the Select Committee on the Bengal Water Hyacinth Bill, 1936, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Water Hyacinth Bill, 1935.

We, the members of the Select Committee of the Bengal Legislative Council to which the Bengal Water Hyacinth Bill, 1935, was referred by a motion carried in the Bengal Legislative Council on the 14th February, 1936, have the honour to submit this our report with the Bill, embodying amendments recommended by us, annexed. All matter omitted by the Select Committee has been printed in *italics* and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in an extraordinary issue of the *Calcutta Gazette* of the 9th December, 1935.

3. We do not consider that the Bill has been so altered by our recommendation as to require republication.

4. The Committee met for the first time on the 17th February, 1936, and concluded its sitting on the 18th February, 1936.

The changes made in the Bill are as follows :—

Clause 1.—The year of the Act has been altered from "1935" to "1936".

Clause 2.—In sub-clause (*1*) we have widened the definition to include any person whom the Collector may authorize to exercise the functions of an Authorized Officer. This will allow the use of responsible non-official agency, *e.g.*, the Chairmen of District Boards, etc.

We have modified the definition of "occupier" so as to make it quite clear that the responsibility for the destruction, etc., of water hyacinth is primarily on the person in actual occupation of the area on which it is found.

On fuller information we have corrected the botanical name for water hyacinth.

Clause 6.—The addition of sub-clause (*c*) is desirable as it is doubtful whether the word "person" used in clause 6(*b*) includes the Government.

Clause 7.—The changes are mainly of a drafting character. The omission of the words "in the prescribed manner" in clause 7(*3*) is supplied in clause 18.

Clause 8.—We have omitted this clause as being unnecessary. The subject matter of this clause will be dealt with by rules.

Clause 9.—As destruction of water hyacinth is the ultimate purpose of the clause, we have made it clear that the clause applies to this as well.

Clause 10.—We have supplied an important omission to the opening paragraph of this clause so as to empower the authorised officer to take his assistants with him when entering on any land, etc., for the purposes of the section.

Sub-clause (*b*) has been amplified to cover "removal" of the pest.

We have omitted the proviso as we have included its substance in new clause 10A. The safeguards in new clause 10A regarding entry, which are in substance the same as those in the proviso to clause 10 as introduced, have also been made applicable to the entry of the authorized officer and his assistants under the provisions of clause 7(*4*) and clause 9(*2*).

Clause 11.—In sub-clause (*1*) the words "payable to the Collector" have been inserted as we consider that the costs should be recovered through the Collector and not on a requisition made direct by an Authorised Officer to a certificate officer.

We have omitted sub-clause (2) as being unnecessary in view of our decision that costs are not to be recovered from owners unless they come under the definition of occupier.

Clause 12.—We have redrafted this clause to make it clear that the costs are to be recovered from the profits of land or water only and not from the profits of premises.

Clause 13.—The change is of a purely drafting character.

Clause 15.—We think it desirable to give the full botanical name of the plant known as "*dhaincha*".

Clause 17A.—We think it better to have a self-contained clause dealing with the sale, removal or keeping of water hyacinth for such purposes as may be prescribed by rules, *e.g.*, for scientific experiments.

Clause 18.—We have made this clause applicable also to the removal of water hyacinth [*vide* remarks in regard to clause 7 (*3*)].

Clause 22.—The changes made are all consequential to the changes made in the different clauses of the Bill.

In sub-clause (*3*) we have reduced the penalty for continuing breach from Rs. 10 to Rs. 5.

The changes made in the Explanation and the Table to clause 23 are either verbal or consequential.

We recommend that the Bill, as reported on by us, be passed.

NOTE.—The signatures of Dr. Naresh Chandra Sen Gupta and Rai Bahadur Sarat Chandra Bal had not been received up to the time of publishing the Report.

Minute of dissent by Maharaja Sris Chandra Nandy, of Kasimbazar, M.L.C.

I am not quite sure as to whether the Government is wise enough to restrict the scope of the Bill to the destruction of water hyacinth in private lands only. Throughout the Bill no provision has been made as to the party on whom should rest the responsibility of eradicating the pest floating on rivers, *bils* or *khals* or covering big areas of marshy land not belonging to any private party. I think when the scheme is brought into operation the Government should also come forward with measures which would remove the pest from public lands, rivers, *bils* and *khals* as well.

Joint minute of dissent by Maulvi Abdul Hamid Shah, M.L.C., and Maulvi Rajib Uddin Tarafder, M.L.C.

We cannot agree on all points of the Report and we desire to express our views in the open Council.

Provided that in assessing such compensation the manurial value of the water hyacinth destroyed thereon shall be taken into account.

(*3*) If the Collector and the occupier differ as to the sufficiency of the compensation or if the Collector and two or more claimants for compensation differ as to the apportionment thereof, the Collector shall refer the matter to the decision of the Court.

GOVERNMENT OF BENGAL.

Revenue Department.

CALCUTTA, THE 28TH FEBRUARY 1936.

RESOLUTION—No. 3448 L.R.

Read—

The report of the Board of Revenue, Bengal, on the administration of the Wards, Attached and Trust Estates in the Presidency of Bengal for the year 1341 B. S. (1934-35).

1. At the beginning of the year under report the total number of estates under the management of the Court of Wards was 124. Five new estates were brought under management of the Court, while four estates were released during the year. Thus at the close of the year there were 125 estates in charge of the Court.

2. The total amount of revenue and cesses due to Government aggregated Rs. 96·85 lakhs of which Rs. 77·74 lakhs or 80·2 per cent was paid during the year against 73·4 per cent in the previous year. The defaults accrued in heavily encumbered estates where the collections were insufficient to meet the pressing liabilities.

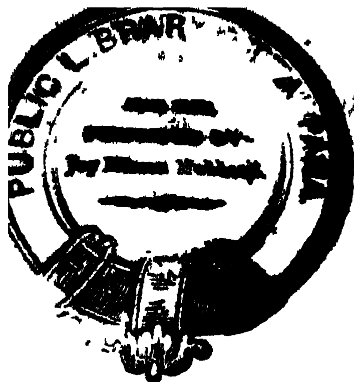
3. The total current demand due to the estates on account of rent and cesses was Rs 181·58 lakhs and arrear demand Rs. 315·90 lakhs. The total sum collected was Rs. 173·39 lakhs representing 34·8 per cent. of the total demand or 95·4 per cent. of the current demand against 32·2 per cent. and 85·9 per cent. respectively in the preceding year. This shows a continued improvement in collection in spite of failure of crops in certain areas.

4. The total amount of ascertained debts of the Court of Wards estates in the Presidency at the close of the year stood at Rs. 3,39,69,781 against Rs. 3,24,86,969 in the preceding year. The increase is mainly due to the assumption of management of some new estates with heavy debts and to the discovery of fresh liabilities. The principal repaid or otherwise reduced was Rs. 22,25,315 and the interest paid or otherwise reduced was Rs. 16,40,257 as compared with Rs. 9,76,220 and Rs. 12,63,543, respectively, in the previous year.

5. The percentage of the cost of management of the Wards Estates in the whole Presidency on their current rent and cess demand was 9·7 as in the preceding year. Law expenses rose from Rs. 8·78 lakhs in 1933-34 to Rs. 10·60 lakhs.

6. The Governor in Council notices with satisfaction that a sum of Rs. 5·83 lakhs as against Rs. 5·66 lakhs in the preceding year was spent on education, dispensaries and works of improvement.

7. The thanks of the Governor in Council are due to the Board of Revenue for the efficient administration of the estates under the management of the Court of Wards. He also notices with pleasure the work done by the Managers mentioned in the report.



Order—Ordered that the resolution be published in the *Calcutta Gazette*.

On or before the date of nomination so fixed every candidate for election shall cause to be delivered to the Chairman a nomination paper in Form B annexed to these rules.

(*2*) No nomination paper shall be valid if it is not signed by the candidate, or if it does not give the particulars required in columns 2, 3, 4 and 5 of the said form, or if it is not signed in columns 6 and 7, respectively, for each ward for which the candidate proposes to stand by at least one voter of each such ward as proposer and one voter of each such ward as seconder of the candidate or unless accompanied by a receipt for the deposit of the amount required by section 25 of the Act.

(*3*) Not less than 32 days before the election day the Chairman shall publish a notice in Form C annexed to these rules at the municipal office, fixing the time at and date on which the nomination papers will be scrutinised by him, such date being not less than 26 days before the date fixed for the election.

(*4*) At the time and on the date so fixed, the Chairman shall, at the office of the municipality, scrutinise all nomination papers in the presence of the candidates or their agents if they appear, and shall register as candidates all those whose nomination papers are found to be valid.

(*5*) Not less than 25 days before the election day the Chairman shall publish at the municipal office a list of the candidates registered under sub-rule (*4*). These candidates shall be deemed to be registered as such from the date of publication of the list.

18. Any candidate may withdraw his candidature by a notice in writing which must be subscribed by him and be sent to the Chairman within three days of the date of his registration as a candidate under rule 17(*5*) or rule 20(*2*), as the case may be. A candidate who has withdrawn his candidature shall not be allowed to cancel the withdrawal or to be renominated as a candidate for the same election.

19. As soon as possible after receipt of a notice of withdrawal under rule 18 the Chairman shall cause written intimation thereof to be published in some conspicuous place in the municipal office, and, if the municipality has been divided into wards, also in the ward to which the matter relates.

20. (1) If any person who has filed a nomination paper under rule 17(1) finds that his name is not included in the list of candidates published by the Chairman under rule 17(5) or disputes the right of any other candidate to be on such list, he may appeal to the Magistrate in writing within three days of the date of publication of such list. The Magistrate shall make such order as to the insertion or omission of the name as appears to him to be just, and shall forward a copy of his order to the Chairman so as to reach him not less than 15 days before the date of the election: and the Chairman shall on receipt of the order amend the list, note upon it the date of such amendment and forthwith publish at the municipal office and, if necessary, in the respective ward or wards, the amendments made in the list.

(2) A person whose name has thus been newly inserted in the list shall be deemed to be registered as a candidate from the date of such insertion.

(3) The order of the Magistrate shall be final.

21. Not less than ten days before the date fixed for the election the Chairman shall publish at the municipal office a revised list of candidates containing all the alterations and amendments made in such original list whether by the order of the Magistrate under rule 20 or in consequence of the withdrawals of candidates under rule 18. The revised list thus published shall be the final list of candidates for the election.

Conduct of Election.

22. (1) In any ward all registered candidates shall be declared to be duly elected if their number is not more than the number of vacancies.

(2) In such cases, the declaration shall be made by the Chairman in writing, against the name of the candidate concerned, in the final list of candidates published under rule 21.

(3) If the number of registered candidates is greater than the number of vacancies, a poll shall be held.

23. (1) Before the date of publication of the final list of candidates under rule 21, the Commissioners at a meeting shall fix the place or places (hereinafter referred to as polling centres) at which the poll shall be held on the election day and the hours between which voters shall be admitted into the polling enclosures,

provided that if they fail to do so, the Chairman shall fix such hours and such polling centres.

(2) The poll shall be held at the time and at the polling centres so fixed,

provided that where it is considered necessary, separate polling centres may be fixed for the recording of votes by female voters.

(*3*) Notice of such time and such polling centres shall be given by beat of drum and by the publication of notices at the municipal office at the same time as the publication of the final list of candidates under rule 21.

24. After the hours mentioned in the notice referred to in rule 23, no person shall be admitted within the polling enclosure but the votes of all duly registered voters who are already within the enclosures shall be recorded.

25. Each voter shall be entitled to vote for the ward in respect of which his name has been registered, and for no other, and to give as many votes as there are vacancies for each ward for which he is thus entitled to vote:

Provided that he shall not give more than one vote on the same voting paper to any one candidate.

26. (*1*) There shall be in each ward at least one polling centre.

(*2*) Where there are more than one polling centre in a ward the Commissioners shall cause a notice to be published showing the names and serial numbers as given in the Final Electoral Roll of persons whose votes will be recorded at any specified polling centre in the ward.

(*3*) The Chairman may, if he thinks necessary, provide more than one polling booth in a polling centre and shall cause a notice to be published at the gate of each polling booth showing the serial numbers, as given in the Final Electoral Roll of persons whose votes will be recorded at the booth.

(*4*) The Commissioners at a meeting shall appoint a polling officer who is neither himself a candidate for election nor the agent of a candidate to preside over the election at each polling centre, and where there are several polling centres in one ward shall declare one of the polling officers to be chief polling officer.

(*5*) If a polling officer for any reason fail to attend, the Chairman shall appoint another fit and proper person who is not himself a candidate or the agent of a candidate, to take his place.

(*6*) To assist the polling officer, there shall be appointed by the Commissioners at a meeting an Election Committee consisting of not more than five ratepayers of the ward who are not themselves candidates or agents of candidates. No election shall be void because any or all of the members of the committee fail to attend: if less than three members attend, the polling officer may appoint other ratepayers not being themselves candidates or agents of a candidate up to the number of three and the persons thus appointed shall then be deemed to be members of the Election Committee.

27. (*1*) On the morning of the election day the Chairman shall supply the polling officer with the following:—

(*a*) a ballot box provided with an aperture for receipt of voting papers;

(*b*) an instrument for stamping the official mark on such papers;

(*c*) a copy of the Final Electoral Roll, with the particulars prescribed in rule 26 (*2*);

(*d*) a bound book or books containing as many voting papers serially numbered in foil and counterfoil as there are voters entered in the Final Electoral Roll for that polling centre, and other persons entitled under rule 34 (*1*) to vote at that polling centre.

(2) The Chairman shall cause to be provided at each polling centre sufficient writing materials with which voters may mark the voting papers.

(3) The official mark shall be kept secret until the commencement of the polling.

28. The voting paper shall be printed in English or both in English and Bengali in Form D annexed to these rules. The names of candidates in English shall be in alphabetical order. When the voting paper is printed in both the languages the name shall be printed in Bengali below that in English in each case.

29. With the object of safeguarding the secrecy of the ballot and of preventing undue crowding, the Chairman shall divide each polling booth into two rooms or compartments, hereafter called the inner and outer compartments. Votes shall be recorded in the inner compartment.

30. (1) On the election day the polling officer shall admit to the outer compartment of the polling booth the candidates and such agents as may be selected by the candidates, to assist in the identification of voters, provided that there shall be present at one time, in addition to the candidates, not more than one agent of each candidate.

(2) Only voters, members of the Election Committee and such other persons (if any) as the polling officer may by special directions admit, shall be allowed to enter the inner compartment of the polling booth.

(3) No candidate or agent of a candidate shall be admitted into the inner compartment except for recording his own vote.

(4) The polling officer shall regulate the number of voters to be admitted at any one time into either the inner or the outer compartment.

31. Immediately before the commencement of the poll the polling officer shall satisfy such persons as may be present in the outer compartment that each ballot box is empty and shall then lock it and place upon it his seal in such manner as to prevent its being opened without breaking such seal.

32. The candidates and their agents shall not speak to or address any intending voter in the polling booth, but may submit to the polling officer objections to a voter on any of the following four grounds:—

(1) That his name is not on the Final Electoral Roll of the ward in respect of which the election is being held.

(2) That his claim to be a certain voter shown on the Final Electoral Roll is false.

(3) That he has already voted.

(4) Where there is more than one polling centre in a ward, that under rule 25 he is not entitled to record his vote at the polling centre in respect of which the objection is raised.

33. The procedure for recording a vote shall be as follows:—

(i) There shall be no voting by proxy.

(ii) As each intending voter enters the outer compartment, his name and his number in the Final Electoral Roll shall be called out, so that everybody present can hear them.

(*iii*) No objection to an intending voter shall be entertained except on the grounds mentioned in rule 32.

(*iv*) Any objection shall be summarily decided by the polling officer, who may for this purpose take such evidence as may be available on the spot.

(*v*) If after taking such evidence the polling officer disallows the objection or if no objection is raised, he shall hand the voter the foil of a voting paper for the ward and shall allow him to proceed to vote.

(*vi*) Immediately before a voting paper is delivered to a voter, it shall be marked on the back with the official mark and an indication shall be placed in a copy of the Electoral Roll against the number of the voter to denote that he has received a voting paper, but no note shall be made of the particular voting paper which he has received.

(*vii*) The number of the voter in the Final Electoral Roll shall be marked on the counterfoil of his voting paper.

(*viii*) A voter who has received a voting paper shall forthwith be directed, by the polling officer or a person (not being a candidate or his agent) deputed by the polling officer for this purpose, to a place set apart therefor in the inner compartment and shall there mark a cross, within the space headed "voter's mark" on the voting paper, against the name of any candidate for whom he intends to vote. He shall then conceal his vote by folding the voting paper and shall put the paper so folded into the ballot box. He shall vote without undue delay and shall quit the polling enclosure as soon as he has put the voting paper into the ballot box.

(*ix*) If the voter is unable to read the voting paper or to make a cross thereon, the polling officer shall mark the vote on the voting paper according to the direction of the voter at the place set apart within the inner compartment under clause (*viii*) of this rule, provided that if the voter so request he shall do so in the outer compartment. The voter shall then put the voting paper folded as prescribed in clause (*viii*) into the ballot box.

34. (*1*) A polling officer or a member of an Election Committee at a polling centre where he is not entitled to vote shall be allowed to record his vote there on his producing a certificate on a ballot paper from the polling officer of another polling centre that he is entitled to vote at such other centre.

(*2*) His vote shall be recorded in the manner prescribed in rule 33 except that, his voting paper after being filled in and folded as there prescribed shall be placed, with the certificate, in a sealed envelope by the polling officer and sent to the polling officer of the other polling centre who shall remove it from the envelope and put it in the appropriate ballot box.

35. It shall be the duty of the polling officer and the Election Committee to see that votes are recorded with the utmost secrecy, that the number on the voting paper handed over to a voter is not divulged to any other person, that no persons are admitted to either compartment except under these rules and that persons who have recorded their votes or against whom objections have been allowed are caused to leave

immediately. It shall also be their duty to see that these rules and any special directions given by the polling officer thereunder are strictly observed.

36. (*1*) On the conclusion of the poll, the polling officer shall, with the assistance of the Election Committee, in the presence of the candidates or their agents, if any—

(*a*) satisfy himself that the seals affixed to the ballot boxes under rule 31 are intact, and either

(*b*) forthwith, when there is only one polling centre in the ward, open the ballot box and scrutinise the votes in accordance with rule 37, or

(*c*) when there are several polling centres in the ward send to the chief polling officer the ballot-boxes and the books of counterfoils and unused foils of voting papers and the marked copy of the Electoral Roll properly sealed with his own seal and the seal of such candidates or agents as may desire to affix their seal.

(*2*) The chief polling officer shall thereupon with the assistance of the Election Committee, in the presence of the candidates or their agents, if any, satisfy himself that the seals are intact, open the ballot boxes and scrutinise the votes in accordance with rule 37.

37. Any voting paper not marked, marked otherwise than with a cross, or marked elsewhere than in the space provided for the purpose, or on which more crosses are marked than there are vacancies, or on which a cross is so placed as to make it doubtful to which candidate the vote has been given, or on which any mark is made by which the voter may be identified shall be invalid. A note to this effect shall be made upon it by the polling officer and it shall not be included in the count.

38. When the voting papers have been scrutinised the polling officer or chief polling officer shall with the assistance of the Election Committee, in the presence of the candidates or their agents, if any, count the valid votes and declare to be elected in any ward the candidate or candidates to whom the highest number of votes has been given. If there be an equality of votes and if the number of vacancies does not admit of all the candidates who have obtained an equality of votes being elected, he shall by drawing lots in such manner as he may determine select one of such candidates whom he shall declare to be elected.

39. The polling officer or chief polling officer shall forthwith, if not himself the Chairman, report in writing the result of the election to the Chairman.

40. When a candidate has been elected for more than one ward,—

(*a*) he shall be declared by the Chairman to have been elected for such ward, if any, out of those wards, in which the election has been uncontested,

(*b*) otherwise, within five days from the date of the election, he shall declare which of such wards he will represent:

and if he fails to make such declaration, the Chairman shall forthwith declare the ward which such candidate shall represent. In either case such candidate shall be held to be elected in the ward in respect of which a valid declaration has been made under this rule and in every other ward for which the said candidate has been elected the result of the election shall be determined as if no votes had been recorded for him:

Provided that, if there is no other candidate for whom votes have been recorded to fill the vacancy thus caused, a fresh election shall be held.

41. A second election, under section 26 of the Act, shall begin at the stage from which the original election failed, *e.g.*, if the election failed at the time of polling a fresh poll only shall be held or if the election failed for want of candidates, fresh nominations shall be called for.

42. When the voting papers have been scrutinised and counted the polling officer or the chief polling officer, as the case may be, shall forthwith replace them in the ballot box from which they were taken and seal it in the manner prescribed by rule 31 and rule 36 *(1)* *(c)*. He shall also seal up the books of counterfoils and unused foils of voting papers and also the copy of the marked Electoral Roll, with his own seal and the seal of such candidates or their agents as may desire to affix them. If he is not himself the Chairman, he shall make them over with the ballot box to the Chairman to be kept in safe custody until the books and the voting papers are destroyed under rule 43.

43. On the expiry of 30 days from the date of the declaration of the result of the election, or, if an election petition has been filed under section 36 of the Act, as soon as possible after the disposal of the petition, the voting papers in the ballot boxes and the sealed books containing unused voting papers and counterfoils shall be destroyed in the presence of such municipal commissioner or officer as the Commissioners at a meeting may appoint for this purpose.

44. The list of duly elected candidates for the whole municipality shall be forwarded by the Chairman through the District Magistrate to the Commissioner of Division for publication by him in the *Calcutta Gazette*.

NOTICE is hereby given that at an extraordinary general meeting of the abovenamed Company held on 14th February 1936 the following resolutions were unanimously accepted and they were confirmed in another extraordinary general meeting held on 6th March 1936 and were taken as special resolutions:—

1. Whereas it has become impossible to manage the affairs of the bank properly in view of the events that, save the deposit of the cash security of the secretary, all the depositors of the bank have withdrawn their deposits: that new deposits are not forthcoming for a long time: that some of the shareholders of the bank have borrowed money which they are now unable to repay and the securities thereof are trying to avoid liabilities: that many of the shareholders have made defaults in the payment of their share money and on demand they express their inability to pay the same and that in view of the economic depression and other causes of the like nature, this meeting unanimously resolved—

That (a) this the Bagbari Loan Co., Ltd., be voluntarily wound up (without taking any help of the Court).

That (b) in absence of any debt of the Company, no call of share money due or to be due be made.

That (c) it is very much difficult and expensive to ascertain the assets and liabilities of the bank. The liquidator may do so, so far as it is possible easily and without any delay. But without long waiting for ascertainment, the liquidator may, in the opinion of the majority of the directors, ascertain the assets of the Company in pro-rata of the realised share money and divide the assets so ascertained according to the right and interest in the Company among the shareholders individually or jointly in case there are more than one shareholder willing to have joint division and giving consent thereto in writing. The liquidator may execute any document if necessary. This act of distribution shall be binding upon all the shareholders. If the amount of debt of any particular shareholders or set of shareholders exceeds the ascertained value of his right and interests in the Company, then to that extent his debt shall be set off. He shall be held liable for the rest of his debt, which shall be realised from him in cash or in execution of decree. If any shareholder does not accept the assets so ascertained, in satisfaction of his right and interests in the Company, those rights and interests shall be considered as paid and if any pronote and document be time barred, the Company or the liquidator shall not be held responsible.

That (d) immediately before the act of distribution the shareholders are entitled to transfer their respective shares in the Company and the liquidator may, upon proper and sufficient evidence, recognise the transferee and his claim. Upon the distribution of the shares, the same shall be considered as satisfied. After that the shareholder may transfer assets distributed to him.

2. That (1) Dhanmamud Mondal of Bagbari, police-station Gabtali, district Bogra, (2) M. Tamij Uddin Mondal of Kolakopa, police-station Gabtali, Bogra, (3) M. Bahar Uddin Mondal of Nashipur, police-station Gabtali, district Bogra, be appointed as liquidators: that M. Bahar Uddin Mondal, liquidator No. 3, be authorised to execute and register the transferred deeds on behalf of this Company and M. Dhanmamud Mondal, liquidator No. 1, be authorised to conduct the suits and cases, to sign plaints, written statements, compromise petitions, power of attorney, etc., on behalf of the Company: that the liquidator No. 1 Dhanmamud Mondal and liquidator No. 3 M. Bahar Uddin Mondal be paid a lump sum of Rs. 400. All other expenditure the Company will meet.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 900L.C. — 11th March, 1936. — With reference to the footnote at the end of the Report of the Select Committee on the Bengal Water Hyacinth Bill, 1935, published with notification No. 842L.C., dated the 3rd March, 1936, in Part IV of the *Calcutta Gazette* of the 5th March, 1936, it is hereby notified for general information that Dr Naresh Chandra Sen Gupta, M.L.C., has subsequently signed the said Report subject to the following minute of dissent.

Minute of dissent by Dr. Naresh Chandra Sen Gupta, M.L.C., to the Bengal Water Hyacinth Bill, 1935.

I reiterate my opinion which I expressed when the Bill was under discussion in the Council that the Bill was fragmentary and inadequate, principally because (*i*) it did not make any provision for Government doing its due share of work, and (*ii*) it aimed at doing the work piecemeal, area by area, instead of one great offensive all over the province at the same time.

The scope of the Bill is limited to providing that no one shall keep water hyacinth on his land or water in a notified area and prescribing penalties for violation of the order. We are assured that such provisions are necessary in order to enable the authorities to carry out programmes for eradication of water hyacinth and nothing more was needed.

If this is the sole object of the Bill, it is difficult to see any justification for the provisions of clauses 9 and 10, not to carry out the work of destruction, but only to discover water hyacinth. Considering that water hyacinth is not a weed which anybody would care to keep concealed or can keep concealed for long, these inquisitional processes are wholly uncalled for.

It would be more to the purpose to authorise destruction parties to pursue water hyacinth to the remotest nook and corner and to remove any obstruction to their work. This the Bill fails to provide except by the addition of the words "or destruction" to clause 9 which seems to me not quite an elegant way of doing it.

NOTIFICATION.

No. 961L.C.—16th March, 1936.—In pursuance of the provisions of rule 20 of the Bengal Legislative Council Rules, 1920, the following Bill which was introduced in the Bengal Legislative Council on the 27th February, 1936, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL TENANCY (AMENDMENT) BILL, 1936.

A

BILL

further to amend the Bengal Tenancy Act, 1885.

Preamble.

WHEREAS it is expedient further to amend the Bengal Tenancy Act of 1885, as amended by the Bengal Act IV of 1928 (hereinafter referred to as the said Act) in the manner hereinafter appearing ; VIII of 1885.

AND WHEREAS the previous sanction of the Governor General has been obtained under sub-section (*3*) of section 80A of the Government of India Act to the passing of this Act ; 5 and 6, Geo. V, c. 61; 6 and 7, Geo. V, c. 37 ; 9 and 10 Geo. V, c. 101.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Tenancy (Amendment) Act, 1936.

Commencement.

2. This Act shall come into force on the day on which it is published in the *Calcutta Gazette*.

Application of the Act.

3. This Act shall apply wherever the Bengal Tenancy Act, 1885, as amended by the Bengal Tenancy (Amendment) Act, 1928, applies. Ben. Act IV of 1928.

Amendment of section 26E.

4. In section 26E(*3*) of the said Act, the following words shall be inserted after the words "If the purchaser" in line 1 of sub-section (*3*) of section 26E of the said Act, namely,—

"Or any other person interested in the confirmation of the sale."

Amendment of section 26F.

5. In section 26F (*2*) of the said Act, the following words shall be added after the words "at the time of making it" in line 2 of sub-section (*2*) of section 26F of the said Act, namely,—

"Or within such time as the Court may fix for the purpose."

Amendment of section 26J.

6. In section 26J (*2*) of the said Act, the following words shall be added after the word "recover" in line 2 of sub-section (*2*) of the said section 26J,—

"by application to the Court."

Amendment of section 50.

7. In section 50 of the said Act, the following shall be substituted for the first paragraph of the sub-section (*2*) namely,—

"If it is proved in any suit or other proceeding under this Act that either a tenure-holder or a *raiyat* and his predecessors in interest have held at a rent or rate of rent which has not been changed since twenty years immediately before the date of the passing of the Bengal Tenancy Act, 1885, it shall be presumed until the contrary is shown, that they have held at that rent or rate of rent from the time of the Permanent Settlement." VIII of 1885.

STATEMENT OF OBJECTS AND REASONS.

In spite of elaborate attempts made in 1928, in bringing this Act up to a standard of perfection, recent experience has shown that some drafting errors have still crept into the language of some of the newly added sections of the Act. This Bill seeks to remove these defects in the Act.

Besides, experience shows that through failure on the part of the legislature to keep the correct principles in view while framing section 50 of the Act in 1885, injustice now occurs to the landlords who have not been in possession of their estates or tenures, as the case may be, since 1793, when they are compelled to produce rebutting evidence against the presumption. In the circumstances they are placed, they cannot do so, and for this failure on their part, they are hardly responsible. It is therefore only fair and equitable that this defect in the Act should be removed at once, and with this object in view also, this Bill is laid before the House for favourable consideration.

NOTIFICATION.

No. 962L.C.—16th March, 1936.—In pursuance of the provisions of rule 20 of the Bengal Legislative Council Rules, 1920, the following Bill which was introduced in the Bengal Legislative Council on the 27th February, 1936, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL PATNI TALUKS REGULATION (AMENDMENT) BILL, 1936.

A
BILL

further to amend the Bengal Patni Taluks Regulation, 1819.

WHEREAS it is expedient further to amend the Bengal Patni Taluks Regulation, 1819, in the manner hereinafter appearing; Reg. VIII of 1819.

AND WHEREAS the previous sanction of the Governor General has been obtained under sub-section (*3*) of section 80A of the Government of India Act to the passing of this Act; 5 and 6, Geo. V, c. 61; 6 and 7, Geo. V, c. 37; 9 and 10, Geo. V, c. 101.

It is hereby enacted as follows :—

Short title.

1. This act may be called the Bengal Patni Taluks Regulation (Amendment) Act, 1936.

Amendment of section 14 of Regulation VIII of 1819.

2. After clause *second* of section 14 of the Bengal Patni Taluks Regulation, 1819, the following clause be added, namely :—

" *Third*. The Civil Court may, on the application of the *zamindar* or of auction purchaser, direct that any sum in deposit with the Collector as purchase money for a sale held under section 9 of this Regulation, shall be invested pending the decision by the Civil Court of a suit for the reversal of such sale and thereupon the Collector shall remit the said sum to the Civil Court for investment."

STATEMENT OF OBJECTS AND REASONS.

Section 14A of the Bengal Patni Taluks Regulation, 1819, lays down that "if any objection is made by the *zemindar* or auction purchaser, the Collector shall refer the application together with the objection to the nearest Civil Court having jurisdiction," etc.

Under sub-section sixth-clause of section 14A "the Civil Court may direct that any sum in deposit with the Collector shall be invested pending the decision of the application by the Civil Court," etc.

But there is no such provision for the investment of the purchase money if a suit be instituted under section 14 in the Civil Court to set aside a sale held under section 9.

The object of this Bill is to provide a provision on the basis of sixth-clause of section 14A, for the investment of the purchase money held by the Collector when a civil suit is instituted under section 14 and thus to remedy a defect which now prejudices the interests of the parties concerned.

Investment of money in Government securities after the suit to set aside a sale, will not be prejudicial to the interest of any of the parties. On the other hand, it will be beneficial to all the parties concerned ; no matter, how the suit be finally decided. For example, if the sale be set aside, the purchaser will get the refund of the money with interest ; if, on the other hand, the sale is confirmed, the outgoing *patnidar* will get the money with interest. But if the investment is not made, one of the parties will suffer heavily. Usually it takes several years to have the final decision in Civil Court and the purchase money, which is usually a heavy amount, remains uninvested all these years at the cost of the parties.

NOTIFICATION.

No. 963L.C.—16th March, 1936.—In pursuance of the provisions of rule 20 of the Bengal Legislative Council Rules, 1920, the following Bill which was introduced in the Bengal Legislative Council on the 27th February, 1936, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL MEDICAL (AMENDMENT) BILL, 1936.

A
BILL

further to amend the Bengal Medical Act, 1914.

WHEREAS it is expedient further to amend the Bengal Medical Act, 1914, for the purposes hereinafter appearing; Ben. Act IV of 1914.

AND WHEREAS the previous sanction of the Governor General under sub-section (3) of section 80A of the Government of India Act has been obtained to the passing of this Act; 5 and 6, Geo. V, c. 61; 6 and 7, Geo. V, c. 37; 9 and 10, Geo. V, c. 101.

It is hereby enacted as follows:—

Short title, extent and commencement.

1. (*a*) This Act may be called the Bengal Medical (Amendment) Act, 1936.

(*b*) It shall extend to the whole of Bengal.

(*c*) It shall come into force immediately.

Amendment of section 17.

2. (*i*) In section 17 insert the following as the first proviso, viz.—

"(*i*) Provided that the Governor in Council may, after consulting the Medical Council, permit the registration of—

(*a*) any person who has undergone a full course of training in any medical college or school and has obtained a certificate to that effect from the head of such college or school and who was practising as a medical practitioner on the date when the Act came into force; and

(*b*) any person who has obtained proper training in any medical institution and joined the medical profession before the 5th September, 1935, provided that he passes a special examination such as the Medical Council may hold for the purpose of granting registration.

(*ii*) In the existing proviso to section 17, insert the word 'also' between the word 'Provided' and the words 'that the Council may'."

STATEMENT OF OBJECTS AND REASONS.

From some time past it has been felt that the provisions of the Bengal Medical Act, 1914, are causing much hardship to a large number of persons who, though properly trained and possessed of degrees, diplomas, certificates, etc., from sources other than those recognised by the authorities and though they had been actually practising medicine, surgery and midwifery from before 1914, cannot get themselves registered and thus become qualified medical practitioners. Practitioners with similar qualification in other provinces, viz., Bombay, the Punjab, the United Provinces, Burma, etc., have been given the privilege of registration long ago, either by amendments of the Acts of the respective provinces or by Government notification. In Bengal nothing in this direction has been done up to date. These practitioners of Bengal have, therefore, formed themselves into a corporate body under the name and style of the " Bengal Medical Union " and have been making representations which should not be altogether ignored. The redress sought for may be given by a simple amendment of the Bengal Medical Act, and it is the object of the present Bill to make this amendment.

The Bengal Medical Act, 1914, in seeking to give protection to the public against quacks, omitted to make provision for the safety of those doctors who had obtained diplomas and certificates from various well-organised and efficient medical institutions before the passing of the Act, who had been practising with ability and reputation for a long time and who could by no stretch of language be called quacks. Yet, in the result, these able, experienced and well-reputed doctors have been classed among the quacks. Many of them have been thrown out of employ from hospitals, tea gardens, ships, steamers, etc., debarred from granting certificates of birth or of illness, and handicapped in many other ways. Their difficulties increased when the Poison Act (Act XII of 1919) came into force and prohibited them from procuring for their patients the requisite drugs included in the schedule of poisons. The transitory provision by Government for an examination of these doctors by the State Medical Faculty was in force only for two years from the passing of the Bengal Medical Act, 1914. The time was too short for the majority to avail themselves of the concession, and moreover a good many did not even get the necessary information within the period. Such people are now on the brink of starvation. Many of them have outgrown the age at which a change of avocation is possible, and, for obvious reasons, a fresh examination also is out of the question. The proposed proviso *(1) (a)* of the Bill is intended to meet the cause of these people.

The case of those who have obtained proper training in unrecognised medical institutions since 1914 stands on a similar footing. Several unregistered doctors, who had received their training in such institutions, are now serving in tea gardens, coal mines, etc., and they have been highly spoken of by their superior medical officers, both Indian and European. Some of these unrecognised institutions have since been recognised; but the students, who completed their course of education therein and began to practise before such recognition, have been left in the lurch. We therefore find good doctors trained at the same institutions, one set of whom—the older and the more experienced set—are unqualified for want of registration, while another set are qualified by registration. Under these circumstances it is but fair and equitable that such students be given at least one chance of being qualified. Hence the necessity for proviso *(1) (b)*.

STATEMENT OF OBJECTS AND REASONS.

Though Bengal Regulation VII of 1822 gives sufficient authority for the settlement of revenue, the Regulation does not specifically distinguish between agricultural lands and non-agricultural lands. Furthermore, that Regulation contemplates the adjustment of relationship between landlord and tenant at the time of settlement of the revenue with the object of *equalizing* the public burthens.

Under the Bengal Tenancy Act, 1885, though settlement of fair rent is provided for in agricultural lands, non-agricultural lands are specifically excluded from the operation of the sections dealing with settlement of fair rent. It has been found with the growth of towns that lands originally leased as agricultural holdings have wholly or partly ceased to be used for agricultural purposes. In order to secure the proper revenue on such lands without interfering with contracts made between parties, which, in so far as the rent is concerned, could not legally extend beyond the term of the settlement made by the Government, it is desirable to make clear provisions for the assessment of revenue on such lands and to make such assessments legally binding on the Government's direct tenants either in a Government estate or in an estate held *khas* on account of recusancy of the proprietors. There have been numerous cases where, on account of failure of the tenant to agree under the law of contract to the terms offered by the Government, costly litigation has ensued with the ejectment of the tenant as the ultimate result.

It is intended that this Bill shall provide a means of securing the proper assessment on such lands without undue interference with liberty of contract.

Member-in-charge.

NOTES ON CLAUSES.

Clause 3 authorises the Revenue-officer to estimate fair and equitable rents and to prepare an assessment roll for non-agricultural lands when a record-of-rights is prepared in respect of any local area, etc., of which a settlement of land-revenue is to be made.

Clause 4 deals with the method of estimating fair and equitable rents.

Clause 5 provides for the procedure for estimating and settling rents where both agricultural and non-agricultural lands are concerned.

Clause 6 relates to the publication of assessment roll and confirmation of the same after hearing representations in regard to entries therein.

Clause 7 deals with the effect of the estimate of rent on the tenants in temporarily settled estates. It provides that such rents together with the rents settled under the Bengal Tenancy Act, 1885, shall be deemed to be the assets of the estate for the purpose of assessing land-revenue.

Clause 8 lays down that the rents specified in the assessment roll shall not be binding on any of the tenants in an estate so long as the same is let in farm by the Revenue authorities.

Clause 9 provides for the realisation of sums not exceeding the amount of rent specified in the assessment roll for a tenant of the highest degree from any tenant of that degree when the estate is held *khas* by the Revenue authorities. Such sums are deemed to be compensation for the use and occupation of the land. It also provides for the realisation of compensation from under-tenants if the tenant of the highest degree surrenders his tenancy or gives up possession thereof or is ejected therefrom or does not agree to pay the compensation.

Clause 10 provides that the rents specified in the assessment roll in respect of an estate which belongs to the Government shall be binding on the tenants of the highest degree and it also provides that such rents can be realised from under-tenants if the tenant of the highest degree surrenders his tenancy or gives up possession thereof or is ejected therefrom or does not agree to pay the rent.

Clause 12 lays down the circumstances in which a tenant of the highest degree or a tenant who is deemed to be a direct tenant of the Government may appeal to the Commissioner or the Board of Revenue.

Clause 13 makes special provision for suits by a tenant who is aggrieved by an entry in the assessment roll.

Clause 16 annuls in certain cases incumbrances on a tenancy sold as a result of non-payment of compensation or rent.

Clause 17 makes provision for application to set aside a sale by an under-tenant or a person having an incumbrance on the tenancy.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 11th March 1936.

Monthly Weather and Crop Report of Bengal for February 1936.

I. *Character of the season.*—During the month under review, the rainfall was in excess of the normal in six districts while in the rest of the Presidency it was below the average. The usual rainfall statement is appended.

II. *Progress of agricultural operations.*—Harvesting of spring crops was progressing under favourable conditions. Preparatory tillage for autumn crops continued, but drought interfered with the progress of the operation.

III. *State of standing crops.*—The condition of standing crops was satisfactory, on the whole.

IV. *Prospects and probable outturn.*—The prospects of standing crops including vegetables were reported to be generally fair. The outturn of wheat and spring oilseed crops was estimated at 67 and 72 per cent., respectively.

V. *Damage to standing crops.*—No appreciable damage to standing crops was reported from any part of the province.

VI. *Condition of agricultural stock.*—The condition of live-stock was generally fair. Sporadic cases of cattle disease, however, were reported from sixteen districts of the Presidency and from Cooch Behar and Tripura States.

VII. *Failure of pasturage and fodder.*—Insufficiency of fodder was reported from parts of 24-Parganas, Burdwan and Bankura.

VIII. *Prices of food-grains.*—During the second fortnight of the month the retail prices of common rice of the cheapest quality rose in five districts, fell in seven and remained stationary in the rest of the Presidency. The prices ranged from 10¼ seers per rupee at Burdwan and Darjeeling to 14½ seers per rupee at Khulna and Jalpaiguri.
